

The AusCAPPS Community of Practice

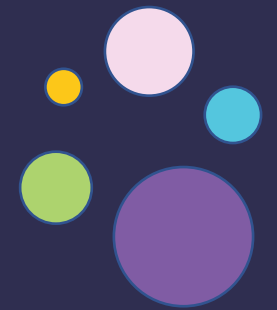

The Australian Contraception and Abortion Primary Care
Practitioner Support Network

An online network designed to support GPs, nurses and community pharmacists to provide **long-acting reversible contraception** and **medical abortion services**.

You can:

- keep up to date with the latest evidence-based resources, guidance and training opportunities
- connect and chat with like-minded peers,
- seek advice from expert clinicians
- find a provider near you
- build local networks

Join our network of more than 800 members now!

Member's testimonial

“... The multidisciplinary aspect is nice – for example to see what nurses are doing around these topics. The weekly update emails are visually appealing and this makes me want to read through to the end...”

PROJECT PARTNERS

This project is funded through a NHMRC Partnership Project Grant APP1191793
MUHREC Approval #28002

To support research about the site's impact, GPs and eligible nurses, please **complete the PBS/MBS consent form**. Data will be aggregated and deidentified.
